Cleaner and better transport in cities

CIVITAS Initiative

16/04/2019, Brussels

THE CIVITAS INITIATIVE IS CO-FINANCED BY
THE EUROPEAN UNION

Why transport & energy efficiency are high priorities for local authorities

URBAN GROWTH

- 75% of Europe's citizens live in cities.

POLLUTION

- 40% of CO₂ from road transport.
- 70% of other pollutants from urban traffic.
- 3.7 million early deaths due to air pollution mostly in cities occur every year.

PHYSICAL INACTIVITY

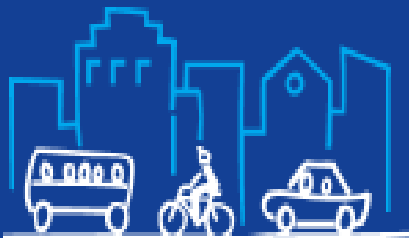

- Millions of hours are spent in urban and regional congestion.
- 2/3rds of the adult population in the EU do not reach recommended levels of activity.
- 4th leading risk factor for death worldwide. (WHO, 2014).
