EU Projects

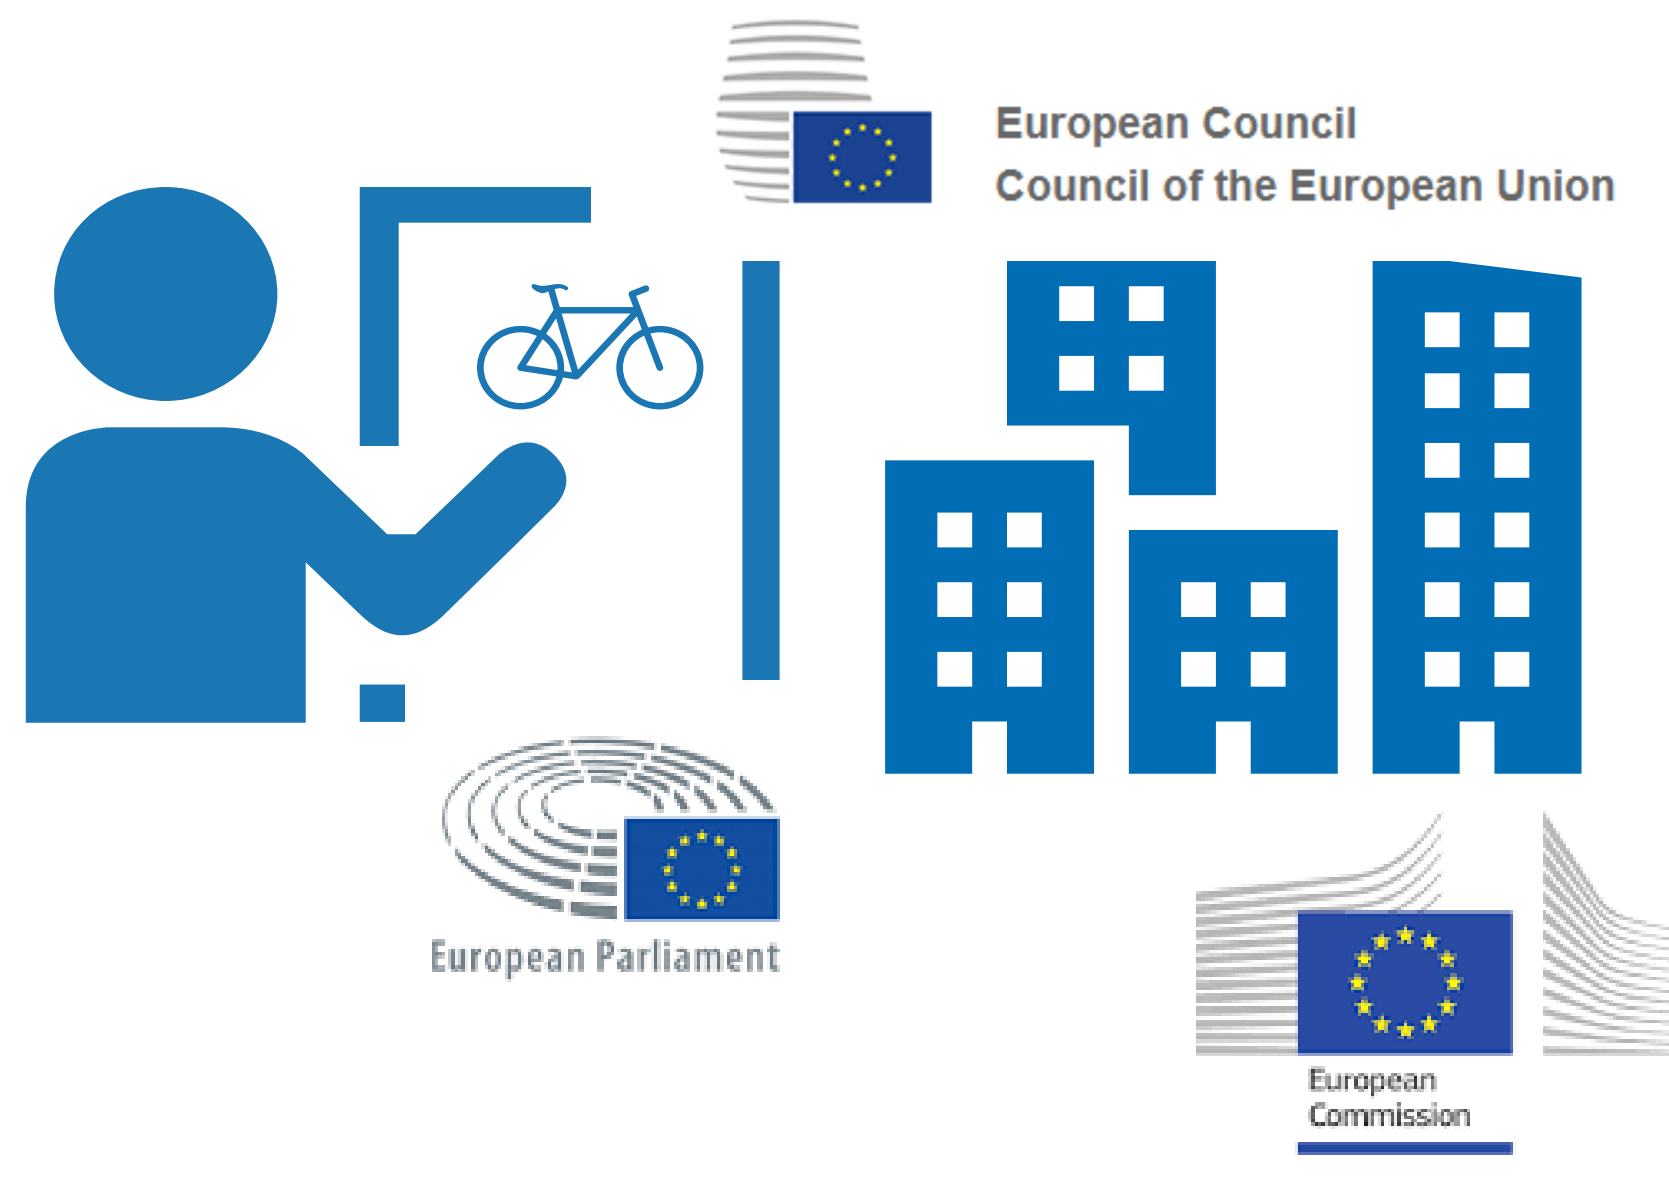

# Policy & Advocacy

**75%**

EU legislation is  
implemented  
locally

# The voice of cities and regions

- Meetings with local politicians
- Polis position papers & policy documents
- Polis represents local/regional authorities during EC consultations, towards EP, EC, EESC, CoR
- Polis leads the ERTRAC Urban Mobility Working Group which defines research priorities on sustainable urban mobility for EC funding programmes

# POLIS Position & Discussion papers

- Road Vehicle Automation
- Mobility as a Service
- The role of transport in Smart Cities
- Securing the health benefits of active travel
- Open data
- Coming up next: New mobility services

EUROPEAN CITIES AND REGIONS NETWORKING  
FOR INNOVATIVE TRANSPORT SOLUTIONS

## ROAD VEHICLE AUTOMATION AND CITIES AND REGIONS

---

This discussion paper offers the perspective of  
Polis member cities and regions on road vehicle  
automation.
